## AWANA 2020/2021

Fall is right around the corner, which means that it's almost time for AWANA! Our Opening night will be on September 9 at 6:30pm. Registration is OPEN!

There will be some changes this year due to Covid-19. Class sizes will be limited, so I encourage you to register soon. Kids will be asked to wear masks or face shields in the hall and when they can't physically distance. Water bottles will be available, but no food will be served. Our desire is to create a safe environment while still being able to disciple the kids of our church and community.

For families that aren't comfortable returning yet, you can register your child for AWANA at home. This option allows you to work through the book with your child and submit verses digitally.

Register at [bit.ly/wycawana2021](https://bit.ly/wycawana2021) for regular AWANA and AWANA at Home.

## COD Kids needs YOU!

Do you want to further the Kingdom of God? Are you looking for a place to connect? We are excited to start our programs back up, but with that comes a greater need for helpers. We have many different roles that need to be filled. We need activity helpers, small group leaders, people to prep crafts and more. There are Sunday morning and Wednesday evening opportunities. So, please consider volunteering with COD Kids. I promise you won't regret it!! For more information e-mail Becky at [kids.wyc@codyork.org](mailto:kids.wyc@codyork.org).

## Sunday school News

We are excited to announce that we will be reopening our Children's Sunday school classes starting September 13. Identical classes will be offered at 9:30 and 11. Stay tuned for more information as the day gets closer.
