

Sunday School

COD Kids Sunday Schools is in full swing on Sundays at 9:30am! We still have to limit class sizes, so remember to register weekly. You can register by going to our COD Kids WYC webpage. Please see our "COVID Cautions" on the next page for information on what our safety protocols are.

40 Days in the Word Challenge

As a church, we've kicked off our 40 Days in the Word Campaign, and we want kids to join in too! I am offering an incentive to all kids that spend time in the Bible during the month of October. Not only can kids earn personal prizes, they can work together to help their Sunday school class win a Breakfast Party for Sunday, November 8 .

A calendar for the month of October will be sent home with each child. Simply initial each day your child spends time reading their Bible or having the Bible read to them. Bring their calendar in on Sunday, November 1. They can earn bonus points by saying their verse to their Sunday school teachers each week. We will tally all their points at the end of October and give out prizes on November 8! I can't wait to see our kids spending time in God's word!!

Fall Fun!

Looking for a fun fall idea to do with your kids? One of my favorite activities that we've done is an apple tasting party. Cut up slices of various kinds of apples and everyone gets to vote for their favorite. Who likes sweet and who likes sour? What can make it extra fun is picking the apples yourselves. After we tasted all the apples, we baked a pie!

A child can teach an adult three things: to be happy for no reason, to always be busy with something, and to know how to demand with all his might that which he desires.

COD Kid's COVID Cautions

We will be following the guidelines below in order to create a safe place where we can connect with your children and teach them the love of Christ.

- Masks or face shields should be worn in the halls and when physical distancing is not possible.
- If Snacks and drinks are served, they will be prepackaged.
- Limited class sizes. This requires you to preregister your children for Sunday School.
- Sanitizer stations are set up in classrooms and around the building. Toys and equipment will be sanitized after use.

COD Kids needs YOU!

Volunteers are still needed on Sunday mornings! Please consider volunteering with COD Kids. I promise you won't regret it!! For more information e-mail Becky at kids.wyc@codyork.org.
