

UNFINISHED

Un-fin-ished \ not yet brought to the desired state

Nearly 70 years ago God beautifully called Church of the Open Door into existence with a passion for truth, evangelism, missions and service. That founding group of 66, centered in the Shiloh area of York, has grown to a congregation of 2200, who today come from all areas of York County and beyond. But our journey to help the

people of York County find and follow Jesus remains unfinished...

"...I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns."
Philippians 1:6, NLT.

THE VISION

COD exists to ignite a passion for God in all people through new and growing communities of committed followers of Jesus.

We are moving into an incredible season. We want to keep our eyes on

the prize and that prize is clear: **life-change**. And not just any life-change, but the kind of life-change that alters the entire trajectory of someone's eternity. That's why we do what we do!

**CHURCH OF THE
OPEN DOOR**

THE OPPORTUNITY

When 3 out of 4 York County neighbors have no place to call their church home, we know our work remains unfinished. We have identified three

strategies that will enable us to reach the people of York County who have a desperate need for the life-change that only Jesus can bring.

ONE

Expand by establishing campuses throughout York County and beyond, beginning in Northern York County and continuing into additional communities as God leads.

TWO

Fortify our financial resources, paying off debt, so in the future COD is ready to extend our reach and open additional new campuses in York County.

THREE

Improve existing COD campuses to meet the needs of the growing congregation by establishing space for people to connect with one another and worship together.

THE CALL

Fervently **pray** for those in your community who do not know Jesus and pray for COD as we trust in God's leading and walk in faith!

Faithfully **serve** on your campus, your involvement may prepare YOU to serve at the next campus or fill the spot of one

who is called to the next campus!

Willingly ask God to challenge you to **give** sacrificially, trusting that by His great provision COD will be able to walk in this great vision.

"And I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns." Philipians 1:6 NLT
